

In 2019 the FGCMD Judge's Council will begin offering a series of four Schools for prospective Judges. Effective with the new handbook all new students must start with Course One. Share this with anyone you know who may be interested. Many current judges will also want to attend to get first-hand exposure to the guidelines in the new Handbook - so get the dates on your calendar now!

Each course is two days of instruction with a written exam on the morning of the third day. The exam is required to become a Judge but optional for others.

- Class One: Tuesday, April 30 – Thursday, May 2 2019
- Class Two: Monday, September 23, 2019 – Wednesday, September 25, 2019
- Class Three: Tuesday, April 28 – Thursday, April 30, 2020
- Class Four: Tuesday, September 29-Thursday, October 1, 2020.

We have done our best to avoid fall and spring District Meetings, religious holidays, school breaks and recurring flower shows. But we know how busy you are and how fast a calendar can fill up so we wanted to give you dates for all the courses.

All classes will be held at the Bowie Comfort Inn, selected for its central location. We will obtain a block of rooms at a discounted rate. At present we are working to finalize instructors for Course One and Two and will post the registration forms later this year.
