

Important Update on

the Herb Show

Cruisin' With Herbs

The recent weather and upcoming forecast for this Saturday has not been favorable to follow through on our plans to host our herb show at the Firehouse in Crisfield.

Therefore, at the last minute we have had to resort to Plan B or completely cancel the show!

Our club will be hosting **Cruisin' With Herbs** at the Washington Inn and Tavern in historic downtown Princess Anne this **Saturday, August 12th 1 pm -5pm**. We will be utilizing the covered porch in front and showcasing a couple design classes inside the beautiful Inn.

The ***Pit Stop Herb Shop*** will be set up outside under a tent. Homemade jams and jellies, herbal soaps, packaged herb notecards, plants and more!

The set up time of 8 am is still the same, as is the times for getting your entries in: **Horticulture 9-10:30 am Designs 10:15 am**

Please note that the show will open at 1 pm and conclude at 5 pm

Many thanks to the owners and staff for being so gracious and accommodating in assisting our club at the last minute!

The Washington Inn will be open for lunch for your dining pleasure. A great menu with such a nice variety. Enjoy a nice glass of wine from the Tavern!
