The National Garden Clubs, Inc. Blue Star Memorial Program honors all men and women that serve in the United States Armed Services. This program began in 1944 with the planting of 8,000 Dogwood trees by the New Jersey Council of Garden Clubs as a living memorial to veterans of World War II. In 1945, the National Council of State Garden Clubs adopted this program and began a Blue Star Highway system that covers thousands of miles across the Continental United States, Alaska, and Hawaii. A large metal Blue Star Memorial Highway Marker was placed at appropriate locations along the way.
