

“Now That I Bought It, What Do I Do With It?”
Design Program - 1st of 4 of Sundays in the Park
Programs/Workshops

Sunday, May 17th, 2020 from 1 p.m. to 5 p.m. at Our Shepherd Lutheran Church, 400 Benfield Road, Severna Park, MD

District II Federated Garden Clubs of Maryland hosts an informative and creative design program. Top designers will share with the audience how they use creative containers, mechanics, backgrounds and other design components for flower shows and personal use. Registrants are encouraged to bring their own containers that may have challenged them in the past. Our team of experts will share pointers with the group. One of the presenters’ designs will be available as a raffle item to the attendees. Maximum attendance is 100 people. There will be a boutique with mechanics and containers for your shopping pleasure!

Cost \$25.00 includes coffee and light refreshments but not lunch and educational handouts.

Please make checks payable to “District II”.
