

June 1, 2024

The Maryland House and Garden Pilgrimage is coming to Dorchester County—where ‘Water Moves Us’—for only the second time in 20 years. The Nanticoke Historic Preservation Alliance, in partnership with the Dorchester Garden Club, invites you to tour six beautiful, waterfront homes and gardens in the County’s Neck District, the historic Spocott Windmill & Village and St. John’s Chapel. Proceeds from the tour will benefit the Handsell Site Development and the building of the Three Cultures Center. For more information, please contact Midge Ingersoll at 856.235.1877.
