Grounds for Sculpture is a museum, sculpture garden, and arboretum framed by nature on 42 picturesque acres. More than 270 sculptures by renowned and emerging contemporary artists are thoughtfully positioned on meticulous landscaping complemented by thousands of native and exotic trees, shrubs, grasses and flowers. Wander the grounds and discover hundreds of contemporary sculptures, explore exhibitions in six indoor galleries, and shop at the Museum store.

Participants will be able to picnic in the Grounds. A bagged lunch will be provided and will include a sandwich, two accompaniments and water. A menu with choices of sandwiches will be sent to participants at the end of August. Participants can also purchase snacks and drinks at the Van Gogh Café.

A second pick-up will be at Abingdon Park and Ride off I-95, exit 77, around 8:30 AM. We will be arriving around 10:30 AM at the Grounds for Sculpture located in Hamilton, New Jersey.
