Did you miss the Spring Meeting?

You're in luck! By popular demand, Mike Burch is returning with a program of Autumnal Designs. ALL of his extraordinary creations will be auctioned off at the end of the program. Mike will have a boutique filled with items carried in his shop – Potomac Floral Design of La Plata. Plan to visit his boutique and our other vendors!

Mike's love for flowers started in 1976 at the age of 14 when he attended Ryken High School. He started as a delivery driver for Karen's Florist in Waldorf, Maryland and worked his way up to designer. As his experience grew, he worked at several florists in Maryland and Northern Virginia.

In 2019, Mike and his cousin David opened Potomac Floral Design, now the only florist shop in La Plata.

Mike has had the privilege of designing events for such esteemed clients as the Vatican Embassy, The Archdiocese of Washington, U.S. Department of Justice, the J.W. Marriott Hotel, and Cosmos Club, to name just a few. His favorite parts of the floral industry are events and wedding design.
