

Bolton Hill Garden Club Holiday Greens Sale is Open for Pre-Orders

The Bolton Hill Garden Club is holding its annual Holiday Greens Sale again this year, and the BHGC store is open for pre-orders! You can find the store here: <https://boltonhillgardenclub.org/bolton-hill-garden-club-store/>. As in past years, we have wreaths of various sizes, swags, evergreen roping and poinsettias available.

New to the store this year are bare root and potted amaryllis and paperwhite bulbs, as well as miniature boxwood trees. Hugely popular last year, we have 100% high quality beeswax candles in a variety of colors, shapes and sizes, including sculpted ones. Beeswax candles are slow burning, toxin-free, and burn brighter than soy or paraffin candles. They make perfect gifts!

The deadline for submitting pre-orders is Thursday, November 21. Pre-ordered items will be available for pick-up at the Holiday Greens Sale on Saturday, December 7, at Brown Presbyterian Memorial Church at 1316 Park Avenue from 9:00 am to 2.30 pm. Proceeds from the Holiday Greens Sale go to support the Garden Club's greening activities. Quantities are limited, so order soon!

For more information, contact Barbara Blumberg at 443-310-0638.
