**Talbot County Garden Club Speaker Program: NEAL SANDERS, Author:
“Gardening Is Murder!”**

Easton Volunteer Fire Dept., 315 Leonard Rieck Dr., Easton, MD

NEAL SANDERS writes killer books – mysteries and thrillers – focused on strong, independent women like his wife, a garden club member and master gardener. As the spouse of an avid gardener with no “real” responsibilities other than to dig holes and move rocks, Neal has had lots of time to observe gardeners and their foibles. The cast of characters he develops and enshrines in his books are memorable (like the intrepid ladies of the “Garden Club Gang”). They make his 15 books laugh-out-loud funny! When he comes to town in March, he will regale us with his sassy oration, titled “Gardening Is Murder,” a spouse’s view on gardening and the cast of characters it has inspired. “Gardening Is Murder” is sure to entertain and draw chuckles!

All are welcome! Covid protocols will be in effect.
